Homepage Header, Nav Bar, Booking Search Form

The image shows the homepage of Airbnb. At the top left is the Airbnb logo. To the right are links for "About", "Search", and "Sign Up". The main visual is a photograph of a sunset or sunrise over a sea of clouds. Overlaid on this is a large, semi-transparent white search form. The form has the word "WHERE" followed by a text input field containing "Anyware". Below it are fields for "CHECK-IN" and "CHECK-OUT", both with placeholder text "yyyy-mm-dd". Underneath these is a "GUESTS:" dropdown menu set to "1 guest". At the bottom of the form is a large red "Search" button.

Our customers can't live without us

“

My experience thus far has been positive. I have pre-booked my stays months in advance for my stays in Puerto Rico, Hawaii, Philippines, Thailand, and India. I have not yet been disappointed. Listings have been accurate, hosts have been accommodating, and the checkin process has been trouble free.

Alberto Duncan

“

The app works very well and makes it easy to search for options. In particular, the filters and list vs. map views are very helpful.

Joana Silva

“

I love being able to save on housing needs especially compared to hotel stays or other living arrangements.

Milton Chapman
